GDPR

If any tenants are still in need of support or advice with GDPR, please come and see me or Romaine and we would be happy to put you in contact with someone who can give you some advice. Or if there is a number of tenants needing support we can arrange for a speaker to come into Pinnacle House and deliver a meeting on GDPR.

PETERBOROUGH FILMS SEMINAR

We have managed to persuade Mark Mountford from Peterborough Films to come in to Pinnacle House and talk about "Video strategy for SMEs".

Mark has some fantastic experience of working with various different businesses from 2 people in size up to filming live boxing shows at the O2 Arena in London.

Mark will be sharing his knowledge and talking about the following:

How video production has evolved to a point of being the most cost effective solution for connecting businesses and products to clients and customers.

Talk through some of the entry level options available to people that they can implement right away.

Then look at some options for people to consider in the long term when developing their brand.

How using video's can improve your ranking on Google.

The seminar will be held on Tuesday 19th June 10:30am- 12:30pm, we will be putting posters up in the ground floor and upstairs kitchen. Please put your name down if you would like to attend this fantastic seminar.

BUSINESS RATES UPDATE

If any tenants are having issues with Business rate's, please come and see either myself or Romaine and we can advise you as to what you need to do.

CLIENT BUSINESS LOGO

If you haven't emailed us your business logo yet, please do so as we can put this in the sign holder outside of your office and on the Client Directory of the Pinnacle House Website, if you also tell us your businesses website address we can link this as well.

PETERBOROUGH B2B EXHIBITION

Peterborough's premier B2B event returns to the KingsGate Conference Centre in October. This event, in it's 18th year, is the biggest networking event in the area.

This event brings together over 600 business people enabling them to build new connections and explore what new products or services exhibitors have to offer to their company.

More information to follow.

CHUMS CHARITY WALK- DAWN'S SOUTHWOLD TO SILSOE WALK CHALLENGE

Dawn Hewitt has taken up the challenge to walk from Southwold to Silsoe to celebrate 21 years of the amazing work that CHUMS does.

Dawn will be walking 100 miles, leaving Southwold on the 22nd June 2018 and arriving over the brow of the hill in Silsoe on the afternoon of the 1st July.

We hope that we can get as many people to walk with Dawn on the different days and bring awareness of CHUMS and sponsorship to help us continue the work we do with children and sponsorship to help us continue the work we do with Children and young people and raise £21,000- £1,000 for every year.

CHUMS and Dawn are really passionate about showing children and young people that they must never give up.

What motivated Dawn to take this challenge on:

“ If I can get fit and walk from Southwold to Silsoe, then children and young people can achieve things in their lives they never thought they could. I won't be able to achieve this alone but by getting the right support from the right people and by being determined to succeed, anything is possible”

If you would like to sponsor Dawn please go and see CHUMS or fill in a sponsorship form located in the kitchens.

Have a Great Month

Paul & Romaine.
